

Illowa Irregulars November 2021 Shoot – 7 November 2021

In keeping with the format of our past November shoots, we encourage all you shooters to just relax and have a little fun by trying some shooting styles you normally don't use in other matches. Who knows—you might just find a style that appeals to you and decide to practice it during the long winter days ahead! Of course, following our suggested shooting styles isn't a requirement but we hope those who take the challenge have a fun time.

This month's match is based around the 1989 classic 'Lonesome Dove' starring Robert Duvall as 'Gus McCrae' and Tommy Lee Jones as 'Woodrow Call'.
