

## Illowa Irregulars TG REPORT 2022

The 2022 edition of the Shooter's Handbook is available online.

### Changes include:

1. The addition of a new official category for shooters aged 85+, "El Rey/La Reina."
2. The addition of a definition of "trigger bouncing," as follows { "Trigger "Bouncing" – A double-action revolver firing technique in which one hand grips the revolver and the trigger finger of the free hand is "bounced" within the trigger guard in order to rapidly fire the revolver. Use of this technique is ILLEGAL in "pocket pistol" side matches.} (SHB, P. 44 - © SASS, 2022)
3. DELETION of the terms "Chief Range Officer", "Chief RO", "CRO", and "CRO/TO"
4. Addition of malfunction/squib handling procedures to the SHB from the RO docs.
5. The following firearm modifications were approved this past year:

- A leather lace-on **or snap-on** "heat shield" wrap around the barrel and magazine tube of the 1860 Henry rifle is allowed.

- An external metal "latching band" may be used on percussion revolvers to secure the loading lever.
