

Illowa Irregulars November 2022 Shoot – 6 November 2022

Stage 1 – *Lots of Ways to Shoot This One!*

Ammo requirements/Gun staging:

10 Pistol – 5 rounds each/holstered

10 Rifle – Staged in doorway

4+ Shotgun – Staged in either left or right window

Suggested Shooting Style: Traditional

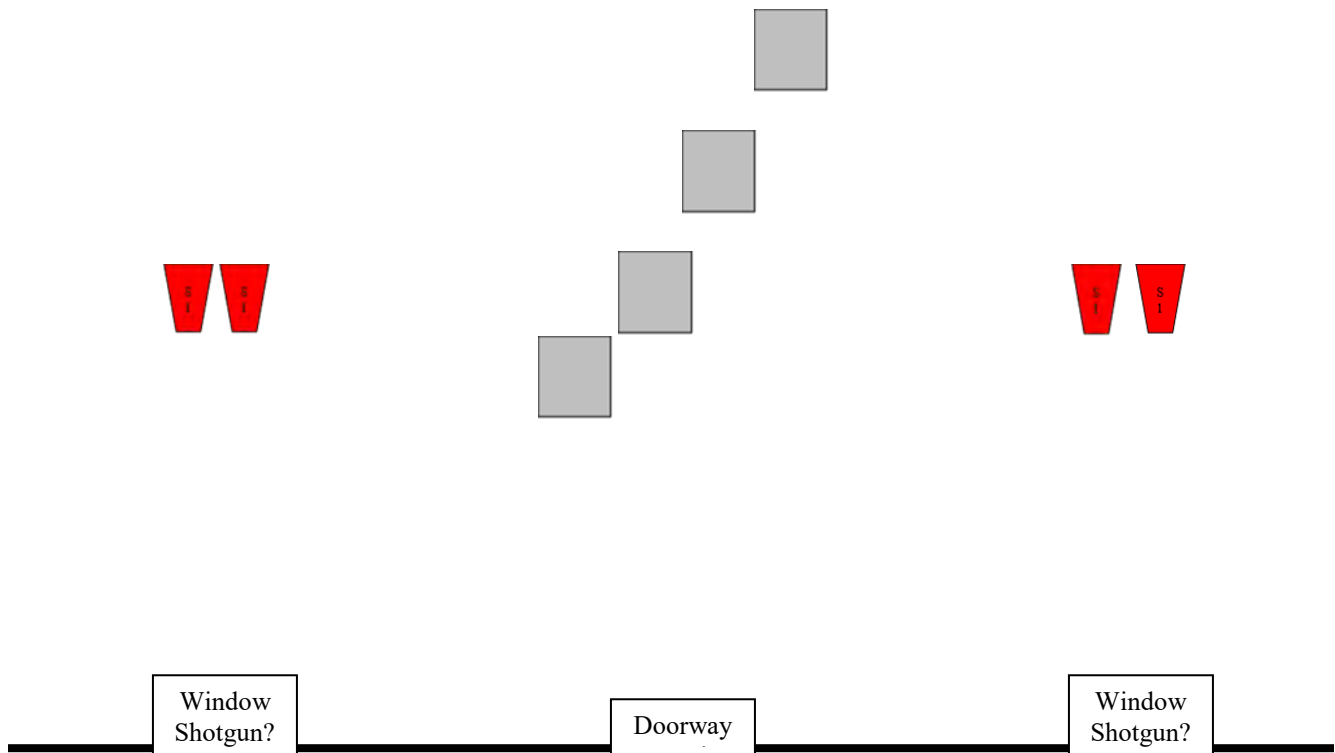

The series “1883” ran in last winter and told the story of a group of settlers making their way west in 1883. Use your imagination and try to figure out the best way to shoot this round count stage. There truly are lots of ways to shoot this one!

Starting Position: Standing in doorway, both hands touching hat

Shooting Order: ??-S-S

Course of Fire: Timer will start after the shooter says “*Lots of ways to shoot this one!*”

- ATB, with a combination of pistols and rifle, engage rifle/pistol targets **starting on the left** in an 1883 sweep (1 on target 1, 8 on target 2, 8 on target 3, 3 on target 4). **This is a round count sweep.**
- Move to shotgun and engage 2 KD shotgun targets any order until down. Move to other window and engage remaining 2 shotgun targets any order until down. Misses must be made up at window where KD targets were first engaged. Stage complete.

Stage 2 – *Shooting Gunfighter is Cool!*

Ammo requirements/Gun staging:

10 Pistol – 5 rounds each/holstered or staged on table in doorway

10 Rifle – Staged left window

6+ Shotgun – Staged Right window

Suggested Shooting Style: Gunfighter

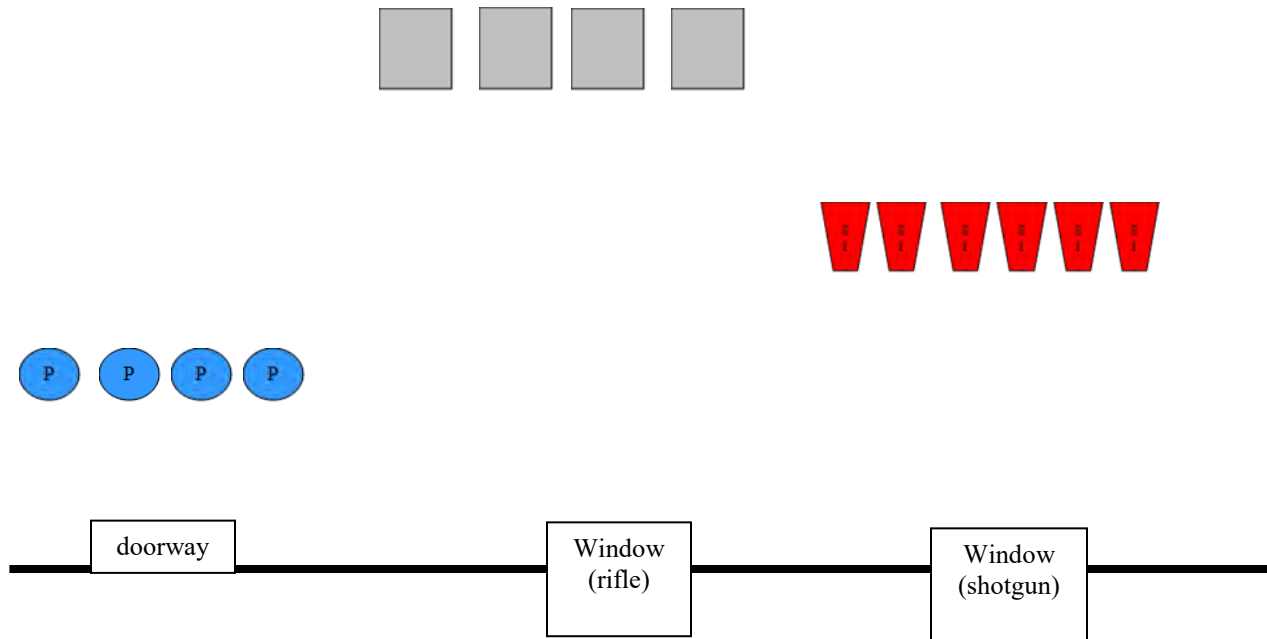

Regardless of whatever shooting style you normally use, you've got to admit that gunfighter is pretty cool. Combine that with shooting black powder and you've got the ultimate cool (that last was thrown in for Count Sandor)! Live your dreams and try this stage by shooting gunfighter.

Starting Position: Standing in left doorway, both hands outstretched and pointing at downrange pistol targets

Shooting Order: Pistols, Rifle, Shotgun

Course of Fire: Timer will start after the shooter says ***“Shooting gunfighter is cool!”***

- ATB, starting on either end, engage four pistol targets in a Ray'l Gun Sweep (P1, P1, P1, P2, P3, P2, P3, P4, P4, P4 or P4, P4, P4, P3, P2, P3, P2, P1, P1, P1)
- Move to left window and with rifle engage the rifle targets same instructions as pistol.
- Move to right window and engage KD shotgun targets any order until down. Stage complete.

Stage 3- *I Like Running and Gunning!*

Ammo requirements/Gun staging:

- 10 Pistol – 5 rounds each/holstered
- 10 Rifle – Staged in trough outside doorway
- 4+ Shotgun - Held in both hands in window

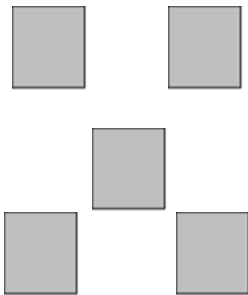

Suggested Shooting Style: Shooter's Choice

Every match should have a stage where there's a little running. Here's your chance for some exercise while you're shooting.

Starting Position: In window, both hands holding shotgun
Shooting Order: Shotgun, Rifle, Pistols

Course of Fire: Timer will start after the shooter says *"I like running and gunning!"*

- ATB, with shotgun engage KD shotgun targets any order until down. Restage shotgun safely in window.
- With rifle, engage all rifle targets in two 2-1-2 Diagonal Sweeps starting on any corner. Make rifle safe in trough (shooter may also carry rifle to downrange table and make safe).
- Move to downrange table and engage pistol targets same instructions as rifle. Stage complete.

Ammo requirements/gun staging:

- 10 Pistol – 5 rounds each/holstered
- 10 Rifle – Staged left or right doorway, shooter’s choice

I’ve always liked this saying because it makes so much sense--and this seems like the perfect stage to put it to use.

Starting Position: Standing behind gun of choice at SASS default

Shooting Order: Shooter’s choice, but RMNBL

Course of Fire: Timer will start after the shooter says **“Head for the roundhouse—they can’t corner us there!”**

- ATB, engage targets with gun of choice.
- Pistols: Starting on the bottom target, engage the pistol targets by **single** tapping them in a clockwise sweep. With second pistol, repeat instructions (that is, **single** tapping clockwise starting on the bottom target).
- Rifle: Starting on the bottom target, engage rifle targets by **double** tapping them in a clockwise sweep.
- Shotgun: Engage KD shotgun targets any order until down.
- Stage complete.

Illowa Irregulars November 2022 Shoot – 6 November 2022

Stage 5 – *Well, That Didn't Pan Out!*

Ammo requirements/gun staging:

10 Pistol – 5 rounds each/holstered

10 Rifle – Staged in window

2+ Shotgun – Held in both hands in right opening

Suggested Shooting Style: Outlaw

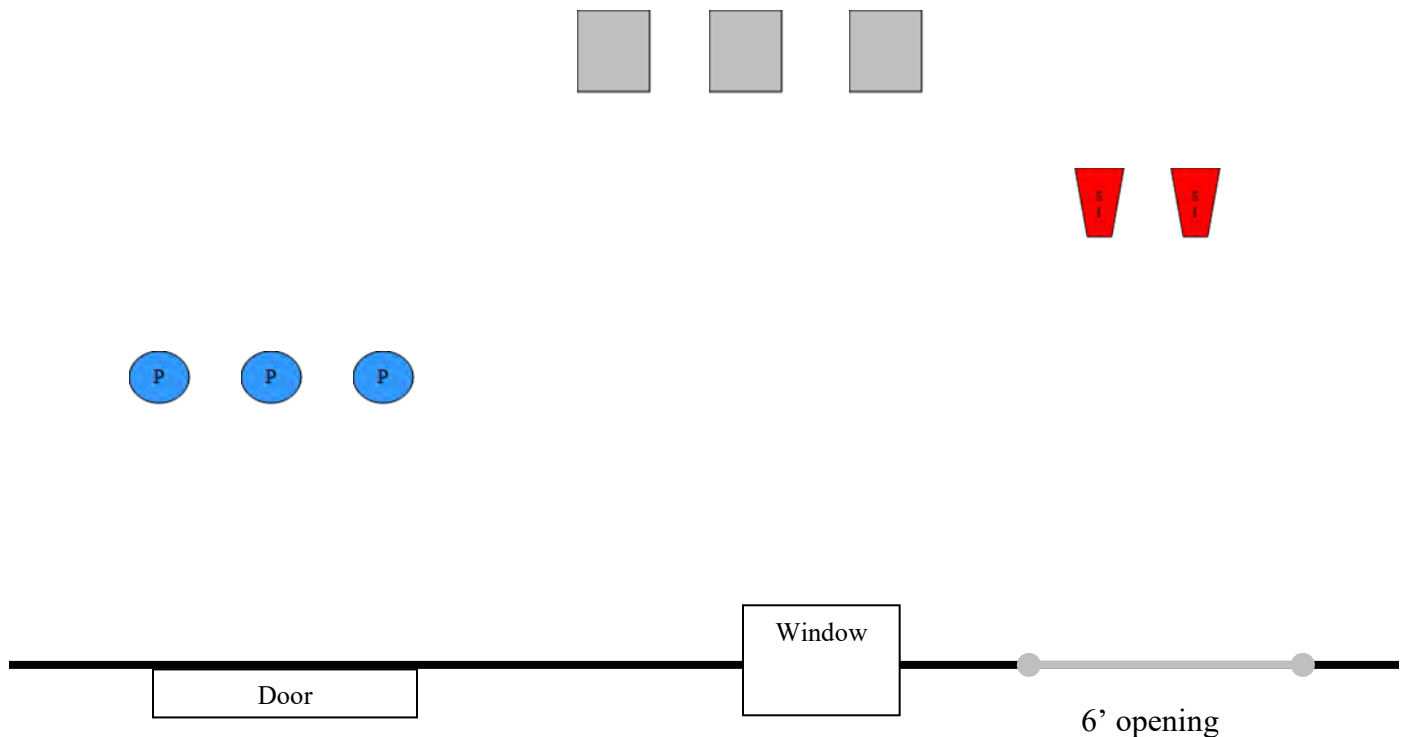

There have been many times when I've said "Well, that didn't pan out" after shooting a stage. Maybe saying these words as a starting line will change my luck!

Starting Position: Holding shotgun with both hands in right opening

Shooting Order: Shotgun, Rifle, Pistols

Course of Fire: Timer will start when the shooter says "*Well, that didn't pan out*"

- ATB, engage shotgun targets any order until down
- Rifle: Engage rifle targets in a Max Indiana Sweep (four shots on the middle target and then double tap sweep all three targets starting on either end).
- Pistols: Engage pistol targets same sequence as rifle. Stage complete.

Stage 6– *I Hate to See This Year End*

Ammo requirements/gun staging:

10 Pistol – 5 rounds each/holstered.

10 Rifle – Staged on table in doorway

4+ Shotgun – Staged on table in right window

Suggested Shooting Style: Shooter's Choice

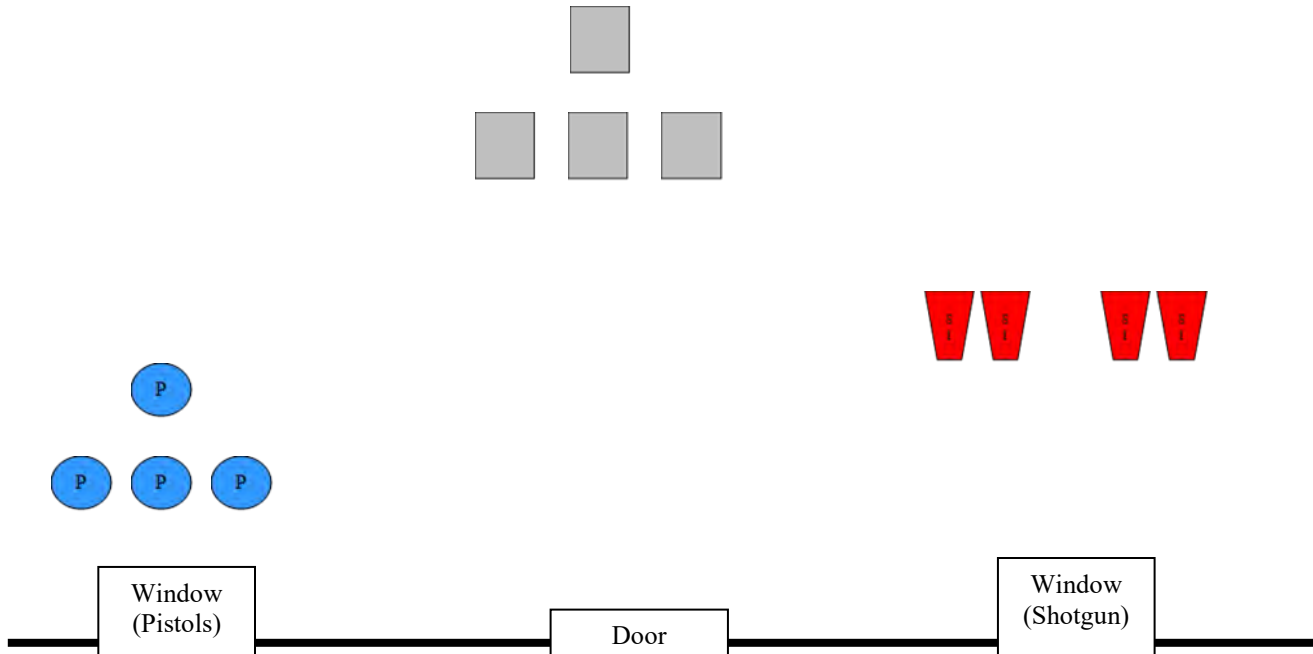

We don't know about you, but we sure hate to see the shooting year end. Hope 2022 was a great shooting season for you--have a great winter and we'll see you next spring!

Starting Position: Standing behind gun of choice, hands at SASS default

Shooting Order: Shooter's choice, but RMNBL

Course of Fire: Timer will start when the shooter says *"I hate to see this year end!"*

- ATB, engage targets with gun of choice.
- Pistols: Engage pistol targets in an Elk Run Sweep by sweeping front three pistol targets with one round each from either end, then one round on the front center target and one on the back target (i.e., P1, P2, P3, P2, P4 or P3, P2, P1, P2, P4). Repeat.
- Rifle: Same sequence as pistols.
- Engage KD shotgun targets until down. Stage complete.

Illowa Irregulars November 2022 Shoot – 6 November 2022

In keeping with the format of our past November shoots, we encourage all you shooters to just relax and have a little fun by trying some shooting styles you normally don't use in other matches. Who knows—you might just find a style that appeals to you and decide to practice it during the long winter days ahead! Of course, following our suggested shooting styles isn't a requirement but we hope those who take the challenge have a fun time.
